

TORMETAIS - Sociedade de Comercialização de Metais Lda.

Compliance Guarantee:

The SUPPLIER guarantees that all materials, components, and substances supplied under this contract strictly comply with the concentration limits established by the following directives and regulations (including their respective updates):

- 1. RoHS Directive (Directive 2011/65/EU and 2015/863/EU), concerning the restriction of the use of certain hazardous substances in electrical and electronic equipment.**
- 2. End-of-life (ELV) Directive (Directive 2000/53/EC), relating to end-of-life vehicles.**
- 3. Delivery of Declarations: The SUPPLIER undertakes to deliver, along with the first shipment of each item or whenever there is a change in the composition of the material, a Declaration of Conformity (DoC) signed by an authorized representative, attesting to compliance with the aforementioned standards.**
- 4. Information Update: In the case of the automotive sector, the SUPPLIER must ensure the correct submission and updating of all data relating to materials in the IMDS (International Material Data System).**
- 5. Duty to Inform: The SUPPLIER must immediately inform TORMETAIS LDA if any supplied item ceases to meet legal requirements or if new substances are added to the restriction lists that affect the supplied materials.**
- 6. Liability and Indemnification: Failure to comply with this clause constitutes grounds for termination of the contract for just cause, with the SUPPLIER being liable for any damages, fines, or recall costs that TORMETAIS LTDA may incur due to the non-conformity of the delivered materials.**

The established requirements shall apply to all TORMETAIS - Sociedade de Comercialização de Metais Lda, and to those who work on their Behalf

Nogueira do Cravo (OAZ), 16 March 2026
